I am writing to notify you that I am retiring from Carlsson Family Eye Center effective September 10, 2020. My wife is from Kentucky, and we have decided to move there at this time in order to be closer to family so that we have more support in raising our children.

I appreciate the years of support and the opportunity to provide superior care at Carlsson Family Eye Center since 2006. Please know that I love you all and will truly miss our time together helping to grow a lifelong dream of mine. We truly appreciate all your support over the years and the opportunity to provide superior care at Carlsson Family Eye Center since 2006.

I wish Doctors Doreen Ng, Kyle Stott, and their dedicated staff the best success in the future. Doctors Ng and Stott are versatile practitioners who are skilled in caring for patients of all ages. I am confident that your vision health is in good hands.

While the people remain, the name of the practice will transition to 20/20 Image Eye Center.

Thank you for your continued trust in this team and I hope for the best in vision care for you all for years to come. I am forever thankful for our time together as it was a pleasure getting to know you.

God Bless,
